As we meet together

We light this candle to show that God is with us.

We sing together

Jesus Love is very wonderful,
Jesus love is very wonderful,
Jesus love is very wonderful,
Oh wonderful love.

So high you can't get over it,
So low you can't get under it,
So wide you can't get under it,
Oh wonderful love.

A crocodile swam in the water,
His jaws were open wide.
A fish came along in the water and swam right inside.
The crocodile's jaws shut tight,
The fish stayed in all night,
When the crocodile yawned in the morning,
Yaaaaaa...
The fish swam away out of sight.

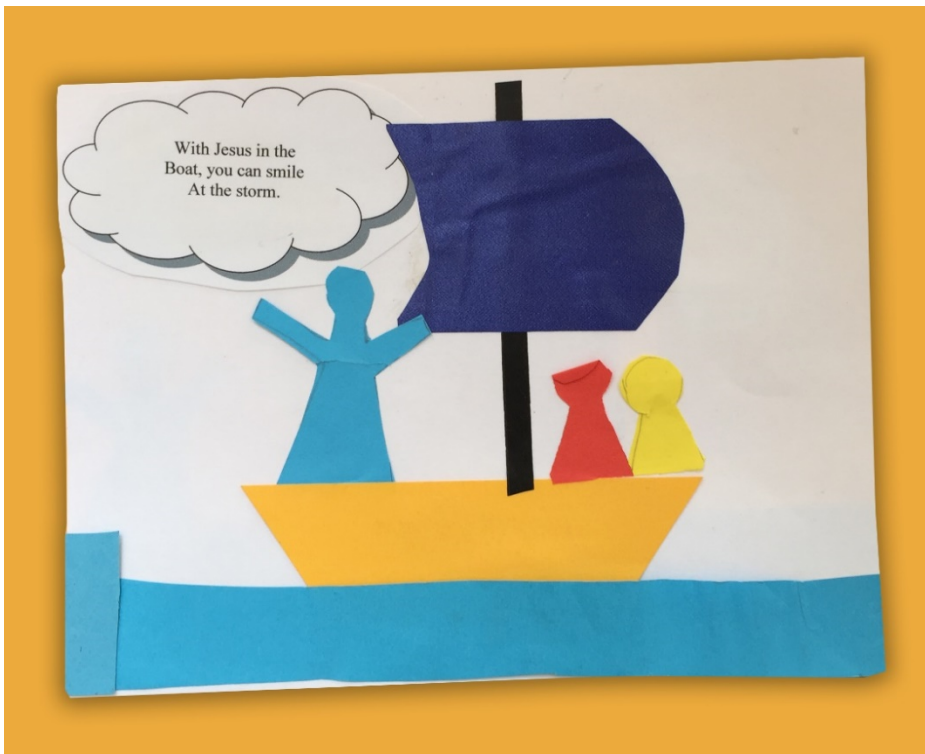

My God is so big, so strong and so mighty,
There's nothing that He cannot do.
The mountains are His, the rivers are His,
The stars are His handiwork too.
My God is so big, so strong and so mighty,
There's nothing that He cannot do.

We pray together

We thank you God for all the good things you give us,
We are sorry for all the naughty things we have done,
We pray for the poorly people and all who need your love.

Our story today

The story today is about when Jesus was in a boat with his friends and a storm came. First little drops of water, then the wind started blowing the waves higher and higher until everyone was frightened the boat would sink. All except Jesus who was fast asleep. Jesus' friends woke him up. Jesus stood up and said storm stop! The wind stopped and the waves calmed down and all was quiet. Jesus said, 'don't be frightened, you are safe with me.' We don't need to be frightened. We can ask Jesus to help us.

The craft is a picture you can do at home of Jesus in the boat telling the storm to stop.

Now you can sing again

Horse horse, don't you stop.
Just make your feet go clippity clop.
Your tail goes swish and your wheels go round.
Giddy up we're homeward bound.

This is the way the gentleman ride, gallop, gallop, gallop.
This is the way the ladies ride, trit trot, trit trot, trit trot.
This is the way the gentlemen ride hobbledee, hobbledee, hobbledee, then
down into the ditch.

God is good to me, God is good to me,
He holds me tight, with all his might, God is good to me.

God is good to me, God is good to me,
He holds my hand and helps me stand, God is good to me.

God is good to me, God is good to me,
He gives me jelly to fill my belly, God is good to me.

God is good to me, God is good to me,
He gives me honey to fill my tummy,
God is good to me.

And we all say together

May God's angels guide us and keep us safe now and forever.
